Figure 1 is a screenshot of a software interface titled "Arendi OneButton Contact Register". The interface displays a list of existing addresses and a form to add a new address.

The list of existing addresses is shown in a table with the following columns: Name, Address type, Address, Zip, City, and Country. The first entry is "Hedley, Atle" with address "113 Terrasse street", zip "12191-4292", city "New York", and country "United States of America".

Below the list is a form to add a new address. The form has the following fields: Name, Address, Zip, City, and Country. The "Address" field is highlighted with a red box. To the right of the form is a button labeled "Full details...".

At the bottom right of the interface is a button labeled "Cancel".

Reference numerals are used to identify specific elements: 82 points to the list of existing addresses, 84 points to the form to add a new address, 86 points to the "Full details..." button, 90 points to the "Cancel" button, and 92 points to the "Full details..." button.
